The image shows the front and back covers of a report. Both covers feature a high-angle, nighttime photograph of a city, likely Toronto, with the CN Tower prominently lit in blue and white. The city lights create a dense, glowing pattern against the dark sky. The report is titled 'semicon' in a large, white, sans-serif font. Below the title, the German text 'GESCHÄFTSBERICHT 2025/26' is printed in a smaller, white, sans-serif font. At the bottom of each cover, there is a small, white rectangular box containing the word 'TRUMPF' in a bold, black, sans-serif font.
