

Software Lifecycle Information

TRUMPF Werkzeugmaschinen SE + Co. KG

End of life of software products

The following products and product options will no longer receive any support in the form of updates and customer service as of the date outlined below. There will be no further security updates for these products as they have reached the end of their lifecycle.

Product	Category	End of product life cycle
TruTops Laser	Product	31.03.2022
TruTops Punch	Product	31.03.2022
TruTops Fab ¹	Product	31.10.2025
TruTops Monitor	Product	31.10.2025
TruTops Tube	Product	30.04.2026
Integration TruTops Tube in TruTops Calculate	Product option	31.03.2026
WebCalculate	Product option	31.03.2026
Cell-Server	Product	30.04.2027
TruTops CAD	Product	31.10.2027
TruTops Bend	Product	31.10.2027

¹ including all TruTops Fab modules, such as e.g. Quickjob, Storage, Customer and Purchase

End of life of software functions

The following features will be available for the very last time in the specified product version or until the specified date and will then be removed from the product as they have reached the end of their lifecycle.

Function	Product	Last included in product version	Replaced by ...
Grafana Dashboards	Oseon	Oseon v4.05	Smart View
iOS App	Oseon	Oseon v5.05	Oseon Production Support
Oseon Analytics (replaced by Smart View)	Oseon	Oseon v5.05	Smart View
Integration PDM	Oseon, TruTops Boost, TruTops Laser/Punch	Oseon v6.05 TruTops Boost v19.05	<i>removed without replacement</i>
List and Label Report (replaced by DevExpress Reporting)	Oseon, TruTops Boost, TruTops Calculate	Oseon v7.05 TruTops Boost v20.05 TruTops Calculate v25.00	DevExpress Reporting
Windows Retrofit	Extension Cube	Connectivity RetrofitBox v3.03.01	<i>removed without replacement</i>
Integration TruTops Laser	Oseon	Oseon v9.04	TruTops Boost
Integration TruTops Punch	Oseon	Oseon v9.04	TruTops Boost
Integration TruTops Nest	Oseon	Oseon v9.04	TruTops Boost
Integration WebCalculate	Oseon	Oseon v7.05	<i>removed without replacement</i>
Oseon Expert Client Werkskalender	Oseon	Oseon v7.05	Oseon Shift Planning
Oseon Expert Client – Program Evaluations	Oseon	Oseon v5.05	Smart View

Function	Product	Last included in product version	Replaced by ...
Oseon Expert Client - Messages and Logs: MDE – Evaluation	Oseon	Oseon v7.05	Smart View
Oseon Expert Client - Messages and Logs: TOP 10 Fault	Oseon	Oseon v7.05	<i>removed without replacement</i>
Oseon Expert Client - Messages and Logs: MDE Message History	Oseon	Oseon v7.05	Smart View
Oseon Expert Client - Assignment of Machine Alarms to Message Reasons	Oseon	Oseon v7.05	<i>removed without replacement</i>
Oseon Expert Client - Messages and Logs: MDE Comparison	Oseon	Oseon v7.05	Smart View
Oseon Expert Client - Production Overview	Oseon	Oseon v7.05	Smart View
Oseon Expert Client - Capacity Utilization	Oseon	Oseon v7.05	Oseon Shift Planning

End of support for software versions

After the end of the support period, only security updates will be made available for product versions. Customers must update to a current software version in order to continue receiving support². TRUMPF reserves the right to provide security updates in the form of new product versions. An update to a current product version is strongly recommended.

Product	Version	End of Support Period
Oseon		
Oseon	v1.x	31.10.2024
Oseon	v2.x	30.04.2025
Oseon	v3.x	31.10.2025
Oseon	v4.x	30.04.2026
Oseon	v5.x	31.10.2026
Oseon	v6.x	30.04.2027
Oseon	v7.x	31.10.2027
Oseon	v8.x	30.04.2028
TruTops Boost		
TruTops Boost	v14.x	31.10.2024
TruTops Boost	v15.x	30.04.2025
TruTops Boost	v16.x	31.10.2025
TruTops Boost	v17.x	30.04.2026
TruTops Boost	v18.x	31.10.2026
TruTops Boost	v19.x	30.04.2027
TruTops Boost	v20.x	31.10.2027
TruTops Boost	v21.x	30.04.2028

² subject to the existence of a valid service agreement with the respective TRUMPF sales and service company, if applicable

TruTops Calculate		
TruTops Calculate	v21.x	31.10.2024
TruTops Calculate	v22.x	30.04.2025
TruTops Calculate	v23.x	31.10.2025
TruTops Calculate	v24.x	30.04.2026
TruTops Calculate	v25.x	31.10.2026
TruTops Bend		
TruTops Bend	v12.x	31.10.2025
TruTops Bend	v13.x	31.10.2027
TruTops Tube		
TruTops Tube	v11.x	19.10.2021
TruTops Tube	v12.x	31.10.2025
TruTops Tube	v13.x	30.04.2026
Programming Tube		
Programming Tube	v3.x	30.04.2024
Programming Tube	v4.x	30.04.2025
Programming Tube	v5.x	30.04.2026
Programming Tube	v6.x	30.04.2027
TruTops Weld		
TruTops Weld	v7.x	31.12.2024
TruTops Weld	v8.x	30.06.2025
TruTops Weld	v9.x	30.04.2027
