

[illegible]

Diagram illustrating the decomposition of 10 into 5 and 5, and then 5 into 2 and 3, using ten blocks.

Top row: 10 blocks (5 on the left, 5 on the right).

Second row: 10 blocks (5 on the left, 5 on the right).

Third row: 5 blocks (2 on the left, 3 on the right) - 5 blocks (2 on the left, 3 on the right).

Bottom row: (5 blocks) - 5 blocks.
